To Whom It May Concern:

My name is Angela Sanelle, and I lead a class of eighth graders at the Classical Conversations Anaheim Coves campus. I would like for you to consider this letter of recommendation in favor of Dulce Garcia.

Dulce has been in my class since August 2025, and I have become very familiar with both her high caliber of work, and her character during this time. Dulce takes her studies seriously, has shown herself to be conscientious, and the outcome of her schoolwork reflects this. She has excellent communication skills, asks clarification questions when needed, and advocates for herself should the necessity arise. She takes her work as a student seriously, and is a role model for her peers. She also has an amazing eye for detail, and this works in her favor as she pours herself into whatever she is doing.

In addition to her excellent work ethic, Dulce is a young woman of character. She has a lovely and pleasant personality, and is able to relate to others with ease. I have known her to be honest, forthcoming, and someone who stands up for her beliefs. She is not easily swayed, and has excellent critical thinking skills. It is refreshing to see a young person with these qualities, as not all students her age are able to see multiple sides of an issue. Due to her ability to have this multi-faceted perspective, I can attest with certainty that whatever role she fills will benefit from her dedication, and I cannot recommend her highly enough.

Sincerely,

Angela Sanelle
